

## iEARN-Qatar - Commitment letter for School Officials

---

This letter is designed to help us collaborate and work transparently in iEARN-Qatar. We value and respect the participation of your teachers in iEARN-Qatar workshop and look forward to their continuous success in the iEARN-Qatar Community, which we see as a shared responsibility. In order to ensure the smooth running of the program we would appreciate the school commitment to the following statement.

Please complete and sign the document to certify that the school will comply with this commitment to the best of their abilities. Please return the document to the **ROTA office by email, FAX, or by hand (see details below)**.

---

### Commitment Statement:

As the authorized representative of the applicant school, please put a check mark next to each statement to indicate that you have read and agree with the statement. **To be part of the iEARN-Qatar program, all Schools need to agree to the following:**

	To provide equal rights and access to all students and teachers irrespective of race, color, gender, national origin, religion or learning disabilities.
	To support teachers and students and provide them with the necessary support for the projects implementation such as approval to attend training sessions, access to necessary equipment and facilities, time within school hours and after school as necessary to work on the projects.
	To provide access to and maintain computer, internet and telecommunications equipment within the school for the program. This will include creating a schedule of use for equipment to allow teachers and students to access the computers and other necessary tools, maintaining consistent access to the internet and regular maintenance of the computers to ensure their working status.
	To work with iEARN-Qatar to compile regular reports of the teachers and students work and to evaluate all aspects of the program by actively participating in the evaluation component.
